

REMARKS / DISCUSSION OF ISSUES

Claims 2-7 are pending in the application.

The Examiner rejects claims 2-3 under 35 U.S.C. 101, and indicates that this rejection can be overcome by indicating what machine performs the inventive steps of the claimed method.

The applicants thank the Examiner for this advice, and have correspondingly amended the claims herein. Entry of this amendment is respectfully requested.

In view of the foregoing, the applicants respectfully request that the Examiner withdraw the objection(s) and/or rejection(s) of record, allow all the pending claims, and find the application to be in condition for allowance. If any points remain in issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

/Robert M. McDermott/
